Program Effectiveness Data

The following is the most current program effectiveness data. Our programmatic accreditation agency, the Joint Review Committee on Education in Radiologic Technology (JRCERT), defines and publishes this information. The information can be found directly on the JRCERT webpage.

Credentialing Examination

The number of students who pass, on the first attempt, the American Registry of Radiologic Technologists (ARRT) certification examination, or an unrestricted state licensing examination, compared with the number of graduates who take the examination within six months of graduation. The five-year average benchmark established by the JRCERT is 75%.

Credentialing Examination Rates

Program year	Year	Number passed on first attempt within six months of graduation	Number attempted within six months of graduation	Percent passed
1	2021	21	21	100
2	2022	15	22	68
3	2023	20	22	91
4	2024	18	19	95
5	2025	19	20	95

Program five-year average pass rate is 89 %.

93 students passed within six months of graduation.

104 students attempted the exam within six months of graduation.

Job Placement

The number of graduates employed in the radiologic sciences compared to the number of graduates actively seeking employment in the radiologic sciences within twelve months of graduating. The five-year average benchmark established by the JRCERT is 75%.

Job Placement Rates

Program year	Year	Number employed within 12 months of graduation	Number actively seeking employment within 12 months of graduation	Percent employed
1	2021	21	21	100
2	2022	22	22	100
3	2023	22	22	100
4	2024	19	19	100
5	2025	20	20	100

Program five-year average employment rate is 100 %.

104 students were employed within 12 months of graduation.

104 students were actively seeking employment within 12 months of graduation.

Annual Program Completion Rate

The number of students who complete the program within the stated program length, excluding those students who leave the program for nonacademic reasons. The annual benchmark established by the program is 70 %.

Program Completion Rate

Program year	Year	Number graduated	Number started the program	Percent completed
1	2025	20	27	74

Annual completion rate is 74 %.
