Program Admission Requirements:

Students must be made aware that while credits will be accepted for transfer, entrance exams in theory, aural skills, keyboard skills, and performance are required. Remedial course work will be required for students not meeting proficiency

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
