March 25, 2014

Michael K. Doucet
Superintendent Allen Parish Schools
1111 West 7th Ave
Oberlin, LA 70655

Superintendent Doucet:

I want to thank you for the support you offer your students, faculty and staff in preparing them for a post-high school success. We understand the importance of informing you of the progress of your student's applications to McNeese State University. We have listed information on the attached pages by high school for your May 2014 graduates that have applied for Fall 2014. Applicants' files may be reviewed once we have received their senior class schedule, six semester transcript and ACT or SAT scores. Should you have questions about your students and how we can partner to ensure their continued success, do not hesitate to call. I look forward to working with you to help your students achieve their goals. Again, thank you for your assistance.

Sincerely,

Kara J. Smith
Director of Admissions and Recruiting
