I understand that:

1. I may earn no more than 12 graduate credit hours while completing baccalaureate requirements.
2. Courses taken for graduate credit cannot be used to satisfy undergraduate requirements.
3. I retain my undergraduate status until I am awarded the baccalaureate degree.
4. While in the concurrent undergraduate/graduate status, I must maintain a minimum cumulative graduate grade point average of 3.0.
5. Because the GMAT/grade point average admission formula must be met, this privilege does not apply to credit offered through the MBA program.
6. This arrangement is to be considered a special privilege to outstanding graduating seniors and does not imply admission to the Doré School of Graduate Studies.
