

McNeese State University
Write to Excellence Center

- Students can receive guidance and help with development of all aspects of the writing process, including brainstorming, theses, content, citations, and much more.
 - Students can receive tutoring assistance in *any* discipline or form of professional development, including résumé development, and academic writing and/or publications.
 - Tutors do not proof-read, but will assist in the development of personal proof-reading skills.
 - Please email the director, Ms. Corliss Badeaux, with any further concerns or questions.
-

McNeese Literature Lab

- Students can receive assistance in understanding literature and other reading materials from classes by visiting the Lit Lab located in Write to Excellence Center.
 - Lit Lab appointments can be made online through the WTEC system.
-
