WHAT’S NEW FOR 2023?

McNeese State University is committed to maintaining affordable benefits for our employees. McNeese Employee Extras offers several ways for you to supplement your benefits and offset out-of-pocket cost; therefore, we are continuing to provide access to additional coverage options to help lower your out-of-pocket expenses. You will see a slight increase in your dental premiums. All other supplemental coverage premiums will remain the same.

2023 Carriers:

» Medical insured through Blue Cross and Blue Shield of LA (BCBSLA)
» New Pharmacy Benefits Manager (PBM) - CVS Caremark will be the PBM for Pelican HRA1000 and Magnolia plans effective 1/1/2023
» Dental insured through Unum
» Vision insured through Unum
» Life and Disability insured through The Standard
» Permanent/Whole Life with Long-Term Care insured through Allstate
» Critical Illness, Accident Insurance, and Hospital Indemnity insured through Cigna
» Cancer insurance through Allstate
» Identity Theft through InfoArmor
» Prepaid Legal through LegalShield
We all work together to make McNeese Employee Extras a success, and our teamwork extends to your benefits. Your health and well-being are important to us, so we provide benefit options to make your and your family’s lives better. Together, let’s invest in you. Read over this guide for details on your 2023 benefits from A to Z. If you have questions, your Human Resources department is here to help.

MyMcNeese Employee Extras offers a variety of benefits to support your and your family’s needs. Choose options that cover what’s important to your unique lifestyle.

Eligibility
If you are a full-time employee of McNeese State University who is regularly scheduled to be a full-time faculty or staff employee, you are eligible to participate in the dental, vision, life and disability plans and additional benefits.

When Does Coverage Begin?
The elections you make during annual enrollment are effective January 1, 2023. If you are a new hire, benefits will become effective on the first of the month following 30 consecutive days of employment. If hired on the first of the month, benefits will become effective first of the following month. Due to IRS regulations, once you have made your choices for the 2023 plan year, you won’t be able to change your benefits until the next enrollment period unless you experience a qualifying life event.

Eligible Dependents
Dependents eligible for coverage in MyMcNeese Employee Extras benefit plans include:

» Your legal spouse
» Children up to age 26 (includes birth children, stepchildren, legally adopted children, and children for whom legal guardianship has been awarded to you or your spouse).
» Dependent children 26 or more years old, unmarried and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical disability which arose while the child was covered as a dependent under this plan (periodic certification may be required).

Verification of dependent eligibility is required upon enrollment.

Thoughts & Tips: You CANNOT change your benefit selections during the plan year unless you have a qualifying life event, such as marriage and/or the birth or adoption of a child.
What are Qualifying Life Events?
Most people know you can change your benefits when you start a new job or during Open Enrollment. But did you know that changes in your life may permit you to update your coverage at other points in the year? Qualifying Life Events (QLEs) determined by the IRS could allow you to enroll in health insurance or change your elections outside of the annual time.

Common qualifying events include:

- A change in your legal marital status (marriage, divorce or legal separation)

- A change in the number of your dependents (for example, through birth or adoption, or if a child is no longer an eligible dependent)

- A change in your employment status from full time to part time, or part time to full time, resulting in a gain or loss of eligibility

- Entitlement to Medicare or Medicaid

- Eligibility for coverage through the Marketplace

Some lesser-known qualifying events are:

- Turning 26 and losing coverage through a parent’s plan

- Changes that make you no longer eligible for Medicaid or the Children’s Health Insurance Program (CHIP)

- Death in the family (leading to change in dependents or loss of coverage)

When a Qualifying Life Event occurs, you have 30 days to request changes to your coverage. Keep in mind your change in coverage must be consistent with your change in status.

Questions regarding specific life events and your ability to request changes should be directed to McNeese State University’s Human Resources. Don’t miss out on a chance to update your benefits!
Your contributions for dental and vision benefits are deducted on a pre-tax basis, lessening your tax liability. Please note that employee contributions vary depending on level of coverage. Typically, the more coverage you have, the higher your portion.

You may select any combination of dental and/or vision plan coverage. For example, you could select dental coverage for you and your entire family, but select vision coverage only for yourself. The only requirement is that you, as an eligible employee of McNeese State University, must elect coverage for yourself in order to elect any dependent coverage.

Open Enrollment To-Do

- **Update your personal information.**
  If you've experienced a qualifying life event in the last year, you may need to change your elections or update your details.

- **Contact McNeese HR or Office of Group Benefits if enrolling or making changes to your Health Benefits.**

**NOTE:**
1) The breakdown between the State Share and the Employee Share amounts shown may not be accurate for certain school board employees due to local funding that affects agency funding, which affects agency contributions. Total Premium amounts are correct for all non-risk rated agencies.
2) The breakdown between the State Share and Employee Share amounts shown for retirees without Medicare coverage is determined based upon the requirements of R.S. 42:851(E)(1), which supersedes the requirements of R.S. 42:851(C)(3).
3) All plan members who retired on or after July 1, 1997 must have Medicare Part A and Part B to qualify for reduced premium rates.

Non-LaGov active employees & retirees, and LaGov retirees wishing to change health plans with the same covered dependents as their 2022 plan should use the annual enrollment portal to make their 2023 selection.

To enroll using the OGB annual enrollment portal:

» Follow the links from the OGB homepage — info.groupbenefits.org — to the annual enrollment portal.

» Log in to the portal by entering last name, date of birth, last four digits of SSN and ZIP code.

» Confirm contact information.

» Make Plan selection.

» Enter HSA/FSA contributions (if applicable).

» Review selections and click “Confirm” to save changes and view confirmation page; click “Change” to revise selections.

» Print/Save confirmation page and click “Logout” to exit the portal.

**Thoughts & Tips:** Adding or removing dependents cannot be completed through the web portal; FSA and HSA contributions MUST be renewed annually.
Magnolia Local Plus

The Magnolia Local Plus plan offers the same coverage as the Magnolia Local plan. This plan offers $25 primary care copays and $50 specialty care copays.

The Local Plus plan is ideal for members who prefer the predictability of copayments rather than using employer funding to offset out-of-pocket costs.

This plan provides care in the Blue Cross nationwide network. Out-of-network care is provided in emergencies only.

Pharmacy Benefits – CVS Caremark

OGB uses the CVS Caremark formulary to help members select the most appropriate, lowest-cost options. The formulary is reviewed regularly to reassess drug tiers based on the current prescription drug market. Members will continue to pay a portion of the cost of their prescriptions in the form of a copay or coinsurance. The amount members pay toward their prescription depends on whether or not they receive a generic, preferred brand, non-preferred brand or specialty drug.

Magnolia Open Access

The Magnolia Open Access Plan offers coverage both inside and outside of the Blue Cross nationwide network. Though the premiums for the Magnolia Open Access plan are higher than OGB’s other plans, its moderate deductibles combined with a nationwide network make it an attractive plan for members who live out of state or travel regularly.

Pelican HRA1000

OGB offers the Pelican HRA1000 option to active employees. This plan is administered by BCBSLA and features lower premiums than Magnolia plans in exchange for higher deductibles.

Health Reimbursement Arrangement

A Health Reimbursement Arrangement, or HRA, is an account used to reimburse employees’ medical expenses and other medical costs. These funds are available as long as you remain employed by an OGB-participating employer.

The Pelican HRA1000 includes $1,000 in employer contributions for the employee-only plan and $2,000 for employee plus dependent plan(s). Funds rollover up to the in-network out-of-pocket maximum, allowing members to build up a balance.

How does it work? – Members do not have direct access to the funds. The out-of-pocket portion of a claim will be paid directly by Blue Cross from the member’s account. Funds can only be used to cover eligible medical expenses, such as coinsurance, copays, deductibles, and services. Pharmacy, dental, and vision claims are not considered eligible medical expenses and therefore will not be paid for out of the HRA funds.

**Pelican HSA775**

OGB offers the Pelican HSA775 option to active employees. This plan is administered by Blue Cross and Blue Shield of Louisiana and features lower premiums compared to Magnolia plans in exchange for higher deductibles.

**Health Savings Account**

One of the benefits of choosing the Pelican HSA775 is the option to enroll in a health savings account (HSA). The HSA allows you to use pre-tax dollars to pay eligible medical and pharmacy expenses for you and your eligible dependents until you satisfy your deductible. It can also help you save for future health care expenses.

Your employer will contribute $200 per plan year to help jump-start your savings and will match your tax-free contributions made through payroll deduction dollar-for-dollar, up to an additional $575 per plan year. This $775 total amount counts toward the maximum U.S. Internal Revenue Service Annual limits of $3,650 for employee only coverage and $7,300 for family coverage, for the 2022 calendar year – an additional $1,000 if you are age 55 or older.

How does it work? – Members will be issued a debit card that can be used to cover eligible medical expenses, such as coinsurance, copays, deductibles, and services as well as pharmacy, dental, and vision expenses.

Members enrolled in OGB’s HSA775 are eligible for a personal tax-free health savings account (HSA). HealthEquity, Inc. is Blue Cross Blue Shield’s third-party administrator for MySmart$aver HSA banking.

The HealthEquity website features other tools to help you understand the benefits of your HSA.

**Learn How To Maximize Your HSA**

The Pelican HSA775 Plan is a high deductible health plan which may be used in conjunction with an HSA for those eligible to participate in such an account. Eligibility to participate in and contribute to an HSA must be met on a monthly basis. It is your responsibility to ensure that you are eligible to maintain an HSA. The below factors affect your eligibility to participate in and/or make contributions to an HSA:

- Neither you nor your spouse may be covered by Medicare at any time during the Plan year (Medicare Part A coverage begins six months back from the date one applies for Medicare, social security, or railroad retiree benefits, but no earlier than the first month one was eligible for Medicare. Therefore, the general advisory is that you stop contributing to your health savings account at least six months before you apply for any of those benefits.)

- You must not be covered by any other health plan that is not a high-deductible health plan.

- You may not be covered by Veteran’s services during the last three months.

- You may not be active-duty military with Tricare coverage.

- You may not be claimed as a dependent on another person’s tax return.

- Neither you nor your spouse may be participating in a General-Purpose Flexible Spending Account (FSA) (Limited-Purpose FSAs are allowed).

McNeese Employee Extras offers several ways for you to supplement your medical plan coverage. McNeese Employee Extras’ supplemental benefits can help cover unexpected expenses, regardless of any benefit you may receive from your medical plan. Coverage is available for yourself and your dependents and is offered at discounted group rates.

Accidents happen. You can’t always prevent them, but you can take steps to reduce the financial impact. Accident coverage, available through Cigna, provides benefits for you and your covered family members if you have expenses related to an accident that occurs outside of work. Health insurance helps with medical expenses, but this coverage is an additional layer of protection that can help you pay deductibles, copays, and even typical day-to-day expenses such as a mortgage or car payment. Benefits under this plan are payable to you, to use as you wish.

Critical Illness coverage through Cigna pays a lump-sum benefit if you are diagnosed with a covered disease or condition. You can use this money however you like; for example: to help pay your medical plan deductible, cover lost wages, child care, travel, home health care costs or any of your regular household expenses.

**Plan Highlights**

» Guaranteed Issue Coverage (no medical questions)

» Benefits are payable based on the date of the covered event occurring or the date of diagnosis. Illnesses or occurrences prior to the effective date of coverage will not be payable events.

» $50 annual Wellness Benefit is payable for each covered member for completing certain wellness screenings. Examples include (but are not limited to) mammography and certain blood tests. Available once per year per covered person.

**Premium contributions for critical illness coverage will be deducted from your paycheck on a post-tax basis. Your age, tier of coverage and benefit amount will determine your premium.**

**Covered Conditions**

» **Employee:** You choose increments of $10,000, $20,000 or $30,000

» **Spouse:** Covered at 100% of Employee benefit amount

» **Children:** Covered at 50% of Employee benefit amount

Hospital Indemnity Coverage through Cigna pays cash benefits directly to you if you have a covered stay in a hospital or intensive care unit. You can use the benefits from this policy to help pay for your medical expenses such as deductibles and copays, travel cost, food and lodging, or everyday expenses such as groceries and utilities.

» Benefits are payable for pregnancy on the first day of coverage, so even if you or your spouse are already expecting, you can elect coverage to start on January 1.
» Coverage is guaranteed issue; no medical questions.
» You must be admitted to the hospital on an inpatient basis, in order to be considered for an admission benefit.

Bringing your teeth and flossing are great, but don’t forget to visit the dentist too! McNeese Employee Extras offers affordable plan options for routine care and beyond. Coverage is available from Unum.

Network Dentists
If you use a dentist who doesn’t participate in your plan’s network, your out-of-pocket costs will be higher, and you are subject to any charges beyond the Reasonable and Customary (R&C). To find a network dentist, visit Unum at unumdentalcare.com.

Dental Premiums
Premium contributions for dental are deducted from your paycheck on a pre-tax basis. Your tier of coverage determines your paycheck deduction.

Unum Dental℠ carryover benefits
Earn extra benefits just by taking care of your teeth!

**How it works**

Each benefit year a member must have:

› one cleaning,
› one regular exam and
› total dental claims paid during the year below the threshold limit.

If all three criteria above are met, a portion of the annual maximum will carry over to the next year.

**Other specifications**

› Each covered family member receives their own carryover benefit.

› Group carryover benefit rider must be in effect for one benefit year before any members can utilize carryover benefits.

› A member must be on the plan for a minimum of four months before accruing carryover benefits.

› Carryover benefit cannot be used towards orthodontia.

› A member’s carryover account will be eliminated and the accrued carryover benefits lost if the insured has a break in coverage for any length of time or any reason.

---

**$1,000 carryover example**

In the first qualifying year, the member has one cleaning, one exam and incurs $300 in paid claims.

Member earns a $250 carryover benefit that is applied to the next year’s annual maximum.

**Benefit in year two**

<table>
<thead>
<tr>

</tr>
</thead>
<tbody>
<tr>
<td>$1,000</td>

<td>$1,250</td>
</tr>
</tbody>
</table>

Member gets one cleaning, one regular exam and incurs $300 in paid claims.

Member earns a $250 carryover benefit that is applied to the next year’s annual maximum.

**Benefit in year three**

<table>
<thead>
<tr>
<th>Annual Maximum</th>

<th>Total Annual Maximum with Carryover</th>
</tr>
</thead>
<tbody>
<tr>
<td>$1,000</td>
<td>$500</td>
<td>$1,500</td>
</tr>
</tbody>
</table>

Member gets one cleaning, one regular exam and incurs $1,300 in paid claims.

Member does not earn the carryover benefit in year three, but is able to utilize the carryover benefits earned in previous years to help pay the $1,300 in claims.

Because the entire $500 would not be utilized by the $1,300 claim, $200 will carry over to the next year.

**Benefit in year four**

<table>

</tr>
</thead>
<tbody>
<tr>
<td>$1,000</td>
<td>$200</td>

Member has $1,200 available to use in this year because of the $1,000 regular annual maximum plus $200 in remaining carryover benefit.
Don't wear glasses? Even you shouldn't skip an annual eye exam! McNeese Employee Extras' supplemental benefits provides you and your family access to quality vision care with a comprehensive vision benefit through Unum.

**Thoughts & Tips:** More than 150 million Americans use corrective eye wear to compensate for refractive errors.
It’s difficult to think about what would happen if something ever happened to you, but it’s important to have a plan in place to make sure your family is provided for. Survivor benefits provide financial protection and security in the event of an absence or unexpected event. Securing Life insurance now ensures your family will be protected for the future.

**What’s a beneficiary?** Your beneficiary is the person you designate to receive your Life insurance benefits in the event of your death. You receive the benefit payment for a dependent’s death under the The Standard insurance.

Name a primary and contingent beneficiary to make your intentions clear. Make sure to indicate their full name, address, Social Security number, relationship, date of birth and distribution percentage. Please note that in most states, benefit payments cannot be made to a minor. If you elect to designate a minor as beneficiary, all proceeds may be held under the beneficiary’s name and will earn interest until the minor reaches majority age at 18. If you need assistance, contact Human Resources or your own legal counsel.
Voluntary Life and AD&D Insurance

Life and AD&D benefits are an important part of your family’s financial security. Eligible employees may purchase Voluntary Life and AD&D insurance to protect you and your family members. Premiums are paid through payroll deductions.

WHOLE LIFE INSURANCE

Allstate Whole Life coverage combines permanent life insurance policy with living benefits in the form of Long Term Care (LTC).

You can enroll in this plan without medical questions when you are first eligible. If you wait to enroll at a later date, evidence of insurability will apply and coverage may be declined.

Check out the three main features of this plan alongside an example of how the plans work for a 35 year old, non-smoker:

1. **A Death Benefit** payable to your beneficiaries if you pass away

<table>
<thead>
<tr>

<th>Coverage Feature</th>
<th>Example</th>
</tr>
</thead>
<tbody>
<tr>
<td>$50,000 death benefit is payable to your beneficiaries when you pass away</td>
<td></td>

</tr>
</tbody>
</table>

2. **A Living benefit**, to help pay for care in an assisted living, long term care facility, home health care and/or adult day care

<table>
<thead>
<tr>
<th>Plan Highlight</th>
<th>Coverage Feature</th>
<th>Example</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pays you 4% per month, up to 25 months. $2,000 per month x 25 months = $50,000</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

3. **A terminal illness benefit**, that pays you 50% of your death benefit if your life expectancy is less than 12-months

<table>
<thead>
<tr>
<th>Plan Highlight</th>
<th>Coverage Feature</th>
<th>Example</th>
</tr>
</thead>
<tbody>

<td></td>
<td></td>
</tr>
</tbody>
</table>

**Plan Highlights**

- Your rates lock in at your current age and do not increase as you age.
- Coverage is portable which means you can take this plan with you if you no longer work for the company.
- You choose the level of coverage that is right for you.

Rates are based on your age and coverage level.

There are certain benefit restrictions for anyone enrolling beyond age 64.
Maintaining your quality of life counts on your income. McNeese Employee Extras’ supplemental benefits offer disability coverage to protect you financially in the event you cannot work as a result of a debilitating injury. A portion of your income is protected until you can return to work or until you reach retirement age.

**Voluntary Short Term Disability (STD) Insurance**

Short Term Disability (STD) benefits are available for purchase on a voluntary basis. STD insurance replaces 60% of your income if you become partially or totally disabled for a short time. Certain exclusions may apply. See your plan documents or Corestream for details.

**Extended Benefit Waiting Period**

This applies if you do not apply for this coverage within 31 days of becoming eligible, were eligible for coverage under a prior plan for more than 31 days but were not insured, or if your insurance ends because you failed to pay your premium and is later reinstated.

60 days for any qualifying disability caused by physical disease, pregnancy or mental disorder occurring during the first 12 months of coverage.
Access to identity theft protection is available on a voluntary basis through InfoArmor. In an always on, ever connected world, the risk of identity theft is real. There is a new identity fraud victim every two seconds. You can help protect yourself with InfoArmor, who monitors millions of transactions every second, alerting you to suspicious activity by text, phone or email. This protection is different than free credit monitoring and offers a full set of features to help proactively protect you and your covered family members against identity theft.

» You have two options to choose from — PrivacyArmor or PrivacyArmor PLUS.

» Pay your Allstate Identity Protection premium via payroll deduction.

» In the event you retire or no longer work for the company, you are able to take this benefit with you.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

A helping hand when you need it.
Rely on the support, guidance and resources of your Employee Assistance Program.

There are times in life when you might need a little help coping or figuring out what to do. Take advantage of the Employee Assistance Program,1 which includes WorkLife Services and is available to you and your family in connection with your group insurance from Standard Insurance Company (The Standard). It’s confidential — information will be released only with your permission or as required by law.

Connection to Resources, Support and Guidance
You, your dependents (including children to age 26)2 and all household members can contact the program’s master’s-level counselors 24/7. Reach out through the mobile EAP app or by phone, online, live chat, and email. You can get referrals to support groups, a network counselor, community resources or your health plan. If necessary, you’ll be connected to emergency services.

Your program includes up to three counseling sessions per issue. Sessions can be done in person, on the phone, by video or text.

EAP services can help with:
- Depression, grief, loss and emotional well-being
- Family, marital and other relationship issues
- Life improvement and goal-setting
- Addictions such as alcohol and drug abuse
- Stress or anxiety with work or family
- Financial and legal concerns
- Identity theft and fraud resolution
- Online will preparation and other legal documents

WorkLife Services
WorkLife Services are included with the Employee Assistance Program. Get help with referrals for important needs like education, adoption, daily living and care for your pet, child or elderly loved one.

Online Resources
Visit healthadvocate.com/standard3 to explore a wealth of information online, including videos, guides, articles, webinars, resources, self-assessments and calculators.

NOTE: It’s a violation of your company’s contract to share this information with individuals who are not eligible for this service.

With EAP, personal assistance is immediate, confidential and available when you need it.

1 The EAP service is provided through an arrangement with Health Advocate™, which is not affiliated with The Standard. Health Advocate™ is solely responsible for providing and administering the included service. EAP is not an insurance product and is provided to groups of 10–2,499 lives.

2 Individual EAP counseling sessions are available to eligible participants 16 years and older; family sessions are available for eligible members 12 years and older, and their parent or guardian. Children under the age of 12 will not receive individual counseling sessions.
Group Life insurance through your employer gives you assurance that your family will receive some financial assistance in the event of a death. But coverage under a group Life policy from Standard Insurance Company (The Standard) does more than help protect your family from financial hardship after a loss. We have partnered with Health AdvocateSM to offer a lineup of additional services that can make a difference now and in the future.

Online tools and services can help you create a will, make advance funeral plans and put your finances in order. After a loss, your beneficiary can consult experts by phone or in person, and obtain other helpful information online.

The Life Services Toolkit is automatically available to those insured under a group Life insurance policy from The Standard.

Services to Help You Now
Visit the Life Services Toolkit website at standard.com/mytoolkit and enter user name “assurance” for information and tools to help you make important life decisions.

- **Estate Planning Assistance:** Online tools walk you through the steps to prepare a will and create other documents, such as living wills, powers of attorney and advance directives.

- **Financial Planning:** Consult online services to help you manage debt, calculate mortgage and loan payments, and take care of other financial matters with confidence.

- **Health and Wellness:** Timely articles about nutrition, stress management and wellness help employees and their families lead healthy lives.

- **Identity Theft Prevention:** Check the website for ways to thwart identity thieves and resolve issues if identity theft occurs.

- **Funeral Arrangements:** Use the website for guidance on how to begin, to educate yourself on funeral costs, find funeral-related services and make decisions about funeral arrangements in advance.

If you are a recipient of an Accelerated Death Benefit, you may access the services for beneficiaries outlined on the next page.

The Life Services Toolkit is provided through an arrangement with Health AdvocateSM and is not affiliated with The Standard. Health Advocate is solely responsible for providing and administering the included service. This service is not an insurance product.

1 An Accelerated Death Benefit or Accelerated Benefit allows a covered individual who becomes terminally ill to receive a portion of the Life insurance proceeds while living, if all other eligibility requirements are met.
Services for Your Beneficiary

Life insurance beneficiaries can access services for 12 months after the date of death. Recipients of an Accelerated Benefit can access services for 12 months after the date of payment.

These supportive services can help your beneficiary cope after a loss:

• **Grief Support:** Clinicians with master’s degrees are on call to provide confidential grief sessions by phone or in person. Your beneficiaries are eligible for up to six face-to-face sessions and unlimited phone contact.
  
  Our clinicians may offer your beneficiaries additional grief support through books sent to their home, based on each individual’s needs. As part of this program, age-appropriate books can be sent for children and teens.

• **Legal Services:** Your beneficiaries can obtain legal assistance from experienced attorneys. They can:
  
  - Schedule an initial 30-minute office and a telephone consultation with a network attorney. Beneficiaries who wish to retain a participating attorney after the initial consultation receive a 25 percent rate reduction from the attorney’s normal hourly or fixed-fee rates.
  
  - Obtain an estate-planning package that consists of a simple will, a living will, a health care agent form and a durable power of attorney.

• **Financial Assistance:** Your beneficiaries have unlimited phone access to financial counselors who can help with issues such as budgeting strategies, and credit and debt management, including hour-long sessions on topics requiring more in-depth discussion.

• **Support Services:** During an emotional time, your beneficiaries can receive help planning a funeral or memorial service. Work-life advisors can guide them to resources to help manage household repairs and chores; find child care and elder care providers; or organize a move or relocation.

• **Online Resources:** Your beneficiaries can easily access additional services and features on the Life Services Toolkit website for beneficiaries, including online resources to calculate funeral costs, find funeral-related services and make decisions about funeral arrangements.

For beneficiary services, visit standard.com/mytoolkit (user name = support) or call the assistance line at 800.378.5742.

2 The Life Services Toolkit is not available to Life insurance beneficiaries who are minors or to non-individual entities such as trusts, estates, charities.

The Life Services Toolkit is provided through an arrangement with Morneau Shepell and is not affiliated with The Standard. Morneau Shepell is solely responsible for providing and administering the included service. This service is not an insurance product.
Help is Only a Phone Call Away

Fortunately, you don’t have to take on the healthcare system by yourself. While you’re out on a short term disability claim, you can connect with a Personal Health Advocate who’ll help you navigate the complexities of the healthcare system. Simply take advantage of Health Advocacy Select, a service that’s included with your group Short Term Disability insurance coverage through Standard Insurance Company (The Standard).

An Expert by Your Side

At no additional cost, you can contact Health AdvocateTM and be assigned a Personal Health Advocate, typically a registered nurse, who will remain on your case until it’s fully resolved. From start to finish, you’ll work with one person sparing you the headache of explaining your concerns to someone who might be unfamiliar with your situation.

Your Personal Health Advocate can assist you in quickly and efficiently working through healthcare management issues.

Some ways they can help you are:

• **Understand** and take maximum advantage of your medical benefits.
• **Make sense** of your diagnosis and research treatment options.
• **Find and schedule appointments** with the right doctors and specialists, particularly for complex medical conditions where a second opinion is appropriate.
• **Locate specialists** for high-risk pregnancies and find pediatricians.
• **Manage your out-of-pocket expenses** by finding alternative services and cost information.
• **Locate** necessary post pregnancy support in the event of a difficult delivery or when complications arise.
• **Resolve** medical claims and billing issues.
• **Find resources** for services that may not be covered through your employer’s health benefits program.

All cases are managed in compliance with state and federal privacy laws. Your personal medical information is kept strictly confidential.

Product features and availability vary by state and are solely the responsibility of Standard Insurance Company.
Balance Billing – When you are billed by a provider for the difference between the provider’s charge and the allowed amount. For example, if the provider’s charge is $100 and the allowed amount is $60, you may be billed by the provider for the remaining $40.

Coinsurance – Your share of the cost of a covered healthcare service, calculated as a percent of the allowed amount for the service, typically after you meet your deductible.

Copay – The fixed amount, as determined by your insurance plan, you pay for healthcare services received.

Deductible – The amount you owe for healthcare services before your health insurance begins to pay its portion. For example, if your deductible is $1,000, your plan does not pay anything until you’ve paid $1,000 for covered services. This deductible may not apply to all services, including preventive care.

Explanation of Benefits (EOB) – A statement from your insurance carrier that explains which services were provided, their cost, what portion of the claim was paid by the plan, and what portion is your liability, in addition to how you can appeal the insurer’s decision.

Network – A group of physicians, hospitals and other healthcare providers that have agreed to provide medical services to a health insurance plan’s members at discounted costs.

» In-Network – Providers that contract with your insurance company to provide healthcare services at the negotiated carrier discounted rates.

» Out-of-Network – Providers that are not contracted with your insurance company. If you choose an out-of-network provider, services will not be covered at the in-network negotiated carrier discounted rates.

» Non-Participating – Providers that have declined entering into a contract with your insurance provider. They may not accept any insurance and you could pay for all costs out of pocket.

Open Enrollment – The period set by the employer during which employees and dependents may enroll for coverage, make changes or decline coverage.

Out-of-Pocket Maximum – The most you pay during a policy period (usually a 12-month period) before your health insurance begins to pay 100% of the allowed amount. This does not include your premium, charges beyond the Reasonable & Customary, or healthcare your plan doesn’t cover. Check with your carrier to confirm what applies to the maximum.
**Required Notices**

**Women’s Health and Cancer Rights Act**

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. For deductibles and coinsurance information applicable to the plan in which you enroll, please refer to the summary plan description. If you would like more information on WHCRA benefits, please contact Human Resources at 337-475-5105.

**HIPAA Privacy and Security**

The Health Insurance Portability and Accountability Act of 1996 deals with how an employer can enforce eligibility and enrollment for health care benefits, as well as ensuring that protected health information which identifies you is kept private. You have the right to inspect and copy protected health information that is maintained by and for the plan for enrollment, payment, claims and case management. If you feel that protected health information about you is incorrect or incomplete, you may ask your benefits administrator to amend the information. For a full copy of the Notice of Privacy Practices, describing how protected health information about you may be used and disclosed and how you can get access to the information, contact Human Resources at 337-475-5105.

**HIPAA Special Enrollment Rights**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to later enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents’ other coverage).

Loss of eligibility includes but is not limited to:

- Loss of eligibility for coverage as a result of ceasing to meet the plan’s eligibility requirements (i.e. legal separation, divorce, cessation of dependent status, death of an employee, termination of employment, reduction in the number of hours of employment);
- Loss of HMO coverage because the person no longer resides or works in the HMO service area and no other coverage option is available through the HMO plan sponsor;
- Elimination of the coverage option a person was enrolled in, and another option is not offered in its place;
- Failing to return from an FMLA leave of absence; and
- Loss of coverage under Medicaid or the Children’s Health Insurance Program (CHIP).

Unless the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you must request enrollment within 30 days after your or your dependent(s) other coverage ends (or after the employer that sponsors that coverage stops contributing toward the coverage).

If the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you may request enrollment under this plan within 30 days after the date you or your dependent(s) lose such coverage under Medicaid or CHIP. Similarly, if you or your dependent(s) become eligible for a state-granted premium subsidy towards this plan, you may request enrollment under this plan within 30 days after the date Medicaid or CHIP determine that you or the dependent(s) qualify for the subsidy.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact Human Resources at 337-475-5105.
