

# CRIME & FIRE LOG

October 2023

*Crime log case numbers do not run sequentially. The McNeese State University Police Department (MSUPD) assigns a case number for all reportable activities, both criminal and non-criminal. Only case numbers generated for criminal activity are listed in the crime log.*

Crimes are in chronological order. The most recent crimes are at the bottom of the list.

---

*Note: Incidents with a case number that start with "NA" involve information received from other University Administrators, who are defined by federal law as "campus security authorities". These administrators share non-identifying information, with the University Police, that is provided by the victim. In these incidents, the victim did not file an official police report and therefore, it is not always possible to provide information regarding the five areas typically covered in the Crime Log, i.e. (Nature/Classification, Date Reported, Date Occurred, Time, General Location, Off Campus (Y or N), Disposition. Because an official report was not filed, \*there will be no disposition. These incidents are reported to the University Police for statistical purposes and are posted to the Crime Log as the information is received by the University Police.*

According to Federal Law, an institution may withhold any of the required fields of entry, i.e. the nature, date, time, location and/or disposition if any of the following conditions apply:

1. The disclosure is prohibited by law
  2. If disclosure would jeopardize the confidentiality of the victim.
  3. If disclosure would jeopardize an ongoing criminal investigation or the safety of an individual
  4. If disclosure would cause a suspect to flee or evade detection
  5. If disclosure would result in the destruction of evidence

**Closed. Referred to On Campus Department:** The case is referred to the appropriated supervisory employee or to MSU Human Resources Services Department. Those departments review the case and determine if disciplinary action will be initiated.

**Closed. Referred to Outside Law Enforcement Agency:** The case is being investigated by a law enforcement agency other than MSUPD. The specific agency will be identified in the disposition.

**Closed. Referred to Student Affairs:** The case has been forwarded to the Office of Student Affairs. That office is responsible for reviewing the case and for determining whether or not the student(s) involved will be charged with a violation(s) of the Student Code of Conduct.

**Closed. Referred to Title IX Coordinator/Office:** The case has been forwarded to the Title IX Coordinator/Office. That coordinator/office is responsible for reviewing the case and for determining whether or not a Title IX Investigation is warranted and/or whether any other action will be taken to resolve the case.

**Closed. Referred to District Attorney's Office:** The case is referred to the prosecutor's office. That agency will review the case and determine if charges will be filed.
