

Resolution 1516-07

In the McNeese State University Faculty Senate

May 4, 2016

---

RESOLUTION

Whereas, McNeese Student Government Association Senate Resolution F15-03 is ambiguous in what it is requesting;

Whereas, the Faculty Senate conducted a survey of the general faculty during April of 2016 using SurveyMonkey®;

Whereas, faculty were given the single question “Presently McNeese’s tobacco use policy prohibits smoking and the use of tobacco products within all buildings and within 25 feet of all buildings. Would you be in favor of prohibiting smoking and the use of tobacco products on the entire campus?”

Whereas, 63 of the 101 faculty that responded said “Yes ... I am in favor of a smoke and tobacco free campus”;

Whereas, 38 of the 101 faculty that responded said “No ... I am in favor of keeping the present tobacco use policy”;

Be it resolved, the Faculty Senate requests that the McNeese State University implement a smoke-free campus policy.
