Community Outreach Media Interviews

We, the members of the McNeese State University Faculty Senate, in order to better inform the community of opportunities at the university move that faculty and departments nominate interviewees for appearances on mass media.

MOTION

Whereas, members of the community around McNeese State University frequently are unaware of the programs and opportunities available at the University, and

Whereas, faculty are more likely to be knowledgeable of the programs and offerings in their colleges and departments, and

Whereas, subject matter and program representatives can be the best advocates for their respective disciplines and opportunities,

Now, therefore, be it resolved by the McNeese State University Faculty Senate, that

1. The Community Partnership Committee will solicit volunteers for interviews at Faculty Senate and Departmental meetings, as well as engage in individual recruitment.
 - a. The first two of these recommendations should be submitted no later than October 19th, 2016.
2. The Community Partnership Committee coordinate with McNeese State University and local media to select the interviews which will occur during the 2016-2017 academic year.
 - a. The schedule will be set prior to the next Faculty Senate meeting, and a full schedule will be released via e-mail and other social media.
