**Documentation of Faculty Workload**

We, the members of the McNeese State University Faculty Senate, in order to understand the impact of persistent budget cuts on faculty workload, request that an ad-hoc committee be formed to develop a comprehensive list of faculty work functions, and to then survey faculty on the amount of time spent on each function.

RESOLUTION

Whereas consistent budget cuts have been met in part through attrition, and

Whereas faculty are increasingly asked to undertake administrative functions, and

Whereas there is little understanding of the efforts undertaken by faculty,

Now, therefore, be it resolved by the McNeese State University Faculty Senate, that:

- An ad-hoc committee be formed to develop a comprehensive list of faculty work functions
- A survey of McNeese faculty be made to quantify the amount of time spent by faculty on faculty work functions.
