

<b>Introductory Assessment</b>
--------------------------------

AGEC 201 - Introduction to Agricultural Economics
---

BIOL 101 - Introduction to Biology I
--------------------------------------

CHEM 101 - General Chemistry I
--------------------------------

CJUS 111 - Introduction to Criminal Justice
---

COMM 201 - Fundamentals of Public Speaking
--

CSCI 100 - Foundations for College of Engineering Freshmen
--

EDUC 204 - Orientation to Multicultural and Special Education
---

EDUC 205 - Fundamentals of Planning Instruction in Secondary Schools
--

ENGR 100 - Foundations for College of Engineering Freshmen
--

FFND 101 - Freshmen Foundations
---------------------------------

HIST 102 - European History since 1648
--

HIST 201 - American History to 1877
-------------------------------------

HSM 210 - Principles of Healthcare Management
---

MUSC 230 - Form & Analysis
----------------------------

NRCM 101 - Introduction to Natural Resource Conservation Management
---

NURS 100 - Introduction to Nursing
------------------------------------

POLS 201 - American Government
--------------------------------

PSYC 101 - Introduction to Psychology
---------------------------------------

SOCL 201 - Introductory Sociology
-----------------------------------

## Midpoint Assessment

AGRI 340 - Junior Seminar

ART 200 - Sophomore Portfolio Review

CHEM 301 - Organic Chemistry I

CJUS 271 - Police and Policing

COMM 306 - Interviewing

CSCI 410 - Software Engineering I

EDUC 203 - Theories and Principles of Learning and Teaching

EDUC 316 - Methods of Teaching Reading in the Elementary School

*EDUC 333 - Methods and Materials in Reading for Secondary Teachers*

EDUC 403 - Methods, Models and Strategies for Teaching Science in High School

ENGL 200 - Introduction to the Study of Literature

ENGL 201/202 - Survey of English Literature

ENGR 242 - Engineering Economics

FIN 310 - Principles of Business Finance

HHP 340 - Methods in Health Education for Elementary and Secondary Schools

HHP 345 - Physiology of Exercise

HIST 300 - Introduction to Research and Writing

HSM 240 - Human Resource Management

HSM 365 - Healthcare Quality and Safety Measurement and Outcomes Analysis I

MATH 207 - Foundations of Mathematics

MGMT 300 - Management Concepts and Practices

MLS 210 - Introduction to Medical Laboratory Science

MUSC 230 - Form and Analysis

NRCM 222 - Career Development in Natural Resource Conservation and Management

NURS 310 - Nursing Foundations

PHIL 251 - Biomedical Ethics and Decision Making

PSYC 461 - Social Psychology

SOCL 320 - Social Research Methods

### Capstone Assessment

AGRI 441 - Seminar

ARED 445 - Student Teaching in Art

ART 400 - Senior Art Portfolio Exhibition/Review

BIOL 481 - Biology Seminar

CHEM 451 - Undergraduate Research

CSCI 491 - Seminar

EDUC 440 - Practicum in Secondary Education

EDUC 468[n] - Student Teaching

ENGL 410 - Research Practicum

ENGR 491 - Senior Design Project II

GNST 400 - General Studies Capstone

HHP 459 - Internship in Exercise Science

HHP 468 - Directed Observation and Student Teaching

HIST 410 - Research Seminar in History

HSM 430 - Institutional Collaboration and Communication in Health Care

HSM 497 - Internship in Healthcare Management

HSM 498 - Internship in Healthcare Quality Improvement

MATH 491 - Seminar

MCOM 400 - Seminar in Professional Practices

MGMT 481 - Strategic Management

MLS 434 - Special Topics

MUED 442 - Directed Observation and Student Teaching

MUSC 445 - Pedagogy for Performance Majors

MUSC 492 - Senior Recital for Music Performance

NURS 425 - Implementation of the Leadership Role

PSYC 499 - Advanced General Psychology

RADS 462 - Diversity and Global Management of Health Care

SOSC 499 - Senior Research Seminar Capstone Experience
