My signature below confirms my agreement with the following statements:

I agree and promise to promptly provide written notification to the Certifying Official of the Veterans' Educational Assistance Program in the McNeese Registrar's Office if I stop attending any or all classes, resign, decide not to continue receiving VA benefits, or change my major. I agree to update this form if I add a class or change classes. I understand this is my responsibility and failure to do so could result in an overpayment that will be refundable to the VA.

I realize that credit will not be granted for any course in which I already previously earned credit acceptable for graduation or toward attainment of my objective. I am aware of the number of semester hours in which I must enroll to receive less than one-half, one half, three-fourths, or full-time pay under this program, and that this form must be completed each semester I wish my enrollment status to be certified to VA.

Note: Advance Payment requests must be received by the Office of the Registrar 45 days before the semester begins.

I request Advance Payment. I am aware that, if I qualify, I will receive a check at the start of the semester, and that I will not receive another benefit check until 3 or 4 months later.

Information for Completing Form R-471

If you have never received veterans' educational benefits at any school, you should complete VA Form 22-1990, available at <http://www.vba.va.gov/pubs/educationforms.htm> or in the Assistant Registrar's office located in Kaufman Hall.

Box 5: Use these numbers: 30, 1606, 1607, 33, 35, or 31. If you do not know your chapter number refer to your Certificate of Eligibility or call 1-888-GIBILL-1. The Department of Veterans Affairs administers several educational programs. Each program is referred to by the chapter of the law creating it. Below is a general description of the programs.

Boxes 6 and 7: In most cases the VA File Number is the same as your social security number; however, there are exceptions (i.e. qualified dependents of veterans). It is the student's responsibility to provide accurate information **in both boxes**. **If you do not know your VA File Number refer to your Certificate of Eligibility or call 1-888-GIBILL-1.**

- **Chapter 30:** The Montgomery GI Bill – Active Duty is the most common and newest program. It is for individuals who have been on Active Duty since 01 July 1985, and who paid into an education fund for one year. Students receive 36 months of full-time benefits.
- **Chapter 33:** The Post 9/11 GI Bill provides financial support for education and housing to individuals with at least 90 days of aggregate service on or after September 11, 2001, or individuals discharged with a service-connected disability after 30 days.
- **Chapter 1606:** The Montgomery GI Bill – Selective Reserves (formerly Chapter 106) is for individuals in the Selected Reserve or National Guard (not on active duty). They must be currently and actively drilling and under a 6-year contract. They are only eligible for benefits as long as they remain in the reserves.
- **Chapter 1607:** REAP (Chapter 1607 of title 10, U.S. Code) is a new benefit providing educational assistance to members of the reserve components – Selected Reserve (Sel Res) and Individual Ready Reserve (IRR) - who are called or ordered to active service in response to a war or national emergency, as declared by the President or Congress. This new program makes certain reservists who were activated for at least 90 days after September 11, 2001 either eligible for education benefits or eligible for increased benefits.
- **Chapter 35:** The Dependents' Educational Assistance Program is the only benefit for individuals without military service. It is for the dependents of a member of the Armed Forces who died while on active duty or as the result of a service-connected disability, or is 100 percent permanently and totally disabled for a service-related reason. Dependents have a VA file or claim number that is related to the parent or spouse under whom they are eligible.
- **Chapter 31:** Vocational Rehabilitation is for disabled veterans who go through a testing process to determine if they are eligible for the benefit. If eligible, the VA sends an Authorization. Full tuition, fees, books, and possibly even parking are paid by the VA to the school. In addition, the student gets a monthly check depending on training status.

Box 9: Do not write "Direct Deposit." It is the student's responsibility to inform the Assistant Registrar's office (475-5625) of **any changes** to the contact information on file.

Box 12: The degree you are currently working toward. Examples include ADN, BA, BS, BSE, MBA, MEd, etc. Ask your advisor or major professor to be certain or refer to the *McNeese Catalog*.

Box 13: The official name of your major. Ask your faculty advisor to be certain or refer to the *McNeese Catalog*.

Box 14: VA Form 22-1995 is available online at <http://www.vba.va.gov/pubs/educationforms.htm> or in the Assistant Registrar's office.

Boxes 15 & 16: You can not receive VA benefits for courses you have already successfully completed regardless of any declaration of academic bankruptcy. If you have already earned a passing grade in a course you are enrolling in this semester, **you must attach a written explanation as to why you are taking it again.**

Box 18: Count only those courses which apply toward completion of your degree plan.

Boxes 19: Count those courses which **do not** apply toward completion of your degree plan.

Box 20: List any course which **does not** apply to completion of your degree plan. Also, list any courses that you have already successfully completed but are repeating, regardless of academic bankruptcy status.
