## ELIGIBILITY & ENROLLMENT

MyMcNeese Employee Extras offers a variety of benefits to support your and your family's needs. Choose options that cover what's important to your unique lifestyle.

## Eligibility

If you are a full-time employee of McNeese State University who is regularly scheduled to be a full-time faculty or staff employee, you are eligible to participate in the **dental**, **vision**, **life and disability plans and additional benefits**.

## When Does Coverage Begin?

The elections you make during annual enrollment are effective January 1, 2024. If you are a new hire, benefits will become effective on the first of the month following 30 consecutive days of employment If hired on the first of the month, benefits will become effective first of the following month. Due to IRS regulations, once you have made your choices for the 2024 plan year, you won't be able to change your benefits until the next enrollment period unless you experience a qualifying life event.

## **Eligible Dependents**

Dependents eligible for coverage in MyMcNeese Employee Extras benefit plans include:

- » Your legal spouse
- » Children up to age 26 (includes birth children, stepchildren, legally adopted children, and children for whom legal guardianship has been awarded to you or your spouse).
- » Dependent children 26 or more years old, unmarried and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical disability which arose while the child was covered as a dependent under this plan (periodic certification may be required).

Verification of dependent eligibility is required upon enrollment.

Thoughts & Tips: You CANNOT change your benefit selections during the plan year unless you have a qualifying life event, such as marriage and/or the birth or adoption of a child.

## ENROLL NOW. YOU'VE GOT ONE SHOT!

## What are Qualifying Life Events?

Most people know you can change your benefits when you start a new job or during Open Enrollment. But did you know that changes in your life may permit you to update your coverage at other points in the year? Qualifying Life Events (QLEs) determined by the IRS could allow you to enroll in health insurance or change your elections outside of the annual time.

### Common qualifying events include:

A change in your legal marital status (marriage, divorce or legal separation)

A change in the number of your dependents (for example, through birth or adoption, or if a child is no longer an eligible dependent)

A change in your spouse's employment status (resulting in a loss or gain of coverage)

Some lesser-known qualifying events are:

Turning 26 and losing coverage through a parent's plan

A change in your employment status from full time to part time, or part time to full time, resulting in a gain or loss of eligibility

> Entitlement to Medicare or Medicaid

> > Eligibility for coverage through the Marketplace

Changes that make you no longer eligible for Medicaid or the Children's

Health Insurance Program (CHIP)

Death in the family (leading to change in dependents or loss of coverage)

When a Qualifying Life Event occurs, you have 30 days to request changes to your coverage. Keep in mind your change in coverage must be consistent with your change in status.

Questions regarding specific life events and your ability to request changes should be directed to McNeese State University's Human Resources. Don't miss out on a chance to update your benefits!

## PREPARING FOR OPEN ENROLLMENT

Your contributions for dental and vision benefits are deducted on a pre-tax basis, lessening your tax liability. Please note that employee contributions vary depending on level of coverage. Typically, the more coverage you have, the higher your portion.

You may select any combination of dental and/or vision plan coverage. For example, you could select dental coverage for you and your entire family, but select vision coverage only for yourself. The only requirement is that you, as an eligible employee of McNeese State University, must elect coverage for yourself in order to elect any dependent coverage.

## **Open Enrollment To-Do**

# Update your personal information.

If you've experienced a qualifying life event in the last year, you may need to change your elections or update your details.

 2) The breakdown between the State Share and Employee Share amounts shown for retirees without Medicare coverage is determined based upon the requirements of LA R.S. 42:851(C)(3), which supersedes the requirements of LA R.S. 42:851(C)(3).
 3) All plan members who retired on or after July 1, 1997 must have Medicare Part A and Part B to qualify for reduced premium rates.

OGB uses the CVS Caremark formulary to help members select the most appropriate, lowest-cost options. The formulary is reviewed regularly to reassess drug tiers based on the current prescription drug market. Members will continue to pay a portion of the cost of their prescriptions in the form of a copay or coinsurance. The amount members pay toward their prescription depends on whether or not they receive a generic, preferred brand, non-preferred brand or specialty drug.

## Pelican HRA1000

OGB offers the Pelican HRA1000 option to active employees. This plan is administered by BCBSLA and features lower premiums than Magnolia plans in exchange for higher deductibles.

### **Health Reimbursement Arrangement**

A Health Reimbursement Arrangement, or HRA, is an account used to reimburse employees' medical expenses and other medical costs. These funds are available as long as you remain employed by an OGB-participating employer.

The Pelican HRA1000 includes \$1,000 in employer contributions for the employee-only plan and \$2,000 for employee plus dependent plan(s). Funds rollover up to the in-network out-of-pocket maximum, allowing members to build up a balance.

How does it work? – Members do not have direct access to the funds. The out-of-pocket portion of a claim will be paid directly by Blue Cross from the member's account. Funds can only be used to cover eligible medical expenses, such as coinsurance, copays, deductibles, and services. Pharmacy, dental, and vision claims are not considered eligible medical expenses and therefore will not be paid for out of the HRA funds.

### **Pharmacy Benefits - CVS Caremark**

The Pelican HRA1000 uses the CVS Caremark formulary. The formulary is reviewed regularly to reassess drug tiers based on the current prescription drug market. Members will continue to pay a portion of the cost of their prescriptions in the form of a copay or coinsurance. The amount members pay toward their prescription depends on whether or not they receive a generic, preferred brand, non-preferred brand or specialty drug.

## Pelican HSA775

OGB offers the Pelican HSA775 option to active employees. This plan is administered by Blue Cross and Blue Shield of Louisiana and features lower premiums compared to Magnolia plans in exchange for higher deductibles.

### **Health Savings Account**

One of the benefits of choosing the Pelican HSA775 is the option to enroll in a health savings account (HSA). The HSA allows you to use pre-tax dollars to pay eligible medical and pharmacy expenses for you and your eligible dependents until you satisfy your deductible. It can also help you save for future health care expenses.

Your employer will contribute \$200 per plan year to help jump-start your savings and will match your tax-free contributions made through payroll deduction dollar-for-dollar, up to an additional \$575 per plan year. This \$775 total amount counts toward the maximum U.S. Internal Revenue Service Annual limits of \$3,650 for employee only coverage and \$7,300 for family coverage, for the 2022 calendar year – an additional \$1,000 if you are age 55 or older.

How does it work? – Members will be issued a debit card that can be used to cover eligible medical expenses, such as coinsurance, copays, deductibles, and services as well as pharmacy, dental, and vision expenses.

Members enrolled in OGB's HSA775 are eligible for a personal tax-free health savings account (HSA). HealthEquity, Inc. is Blue Cross Blue Shield's third-party administrator for MySmart\$aver HSA banking.

The HealthEquity website features other tools to help you understand the benefits of your HSA.

### Learn How To Maximize Your HSA

The Pelican HSA775 Plan is a high deductible health plan which may be used in conjunction with an HSA for those eligible to participate in such an account. Eligibility to participate in and contribute to an HSA must be met on a monthly basis. It is your responsibility to ensure that you are eligible to maintain an HSA. The below factors affect your eligibility to participate in and/or make contributions to an HSA:

- » Neither you nor your spouse may be covered by Medicare at any time during the Plan year (Medicare Part A coverage begins six months back from the date one applies for Medicare, social security, or railroad retiree benefits, but no earlier than the first month one was eligible for Medicare. Therefore, the general advisory is that you stop contributing to your health savings account at least six months before you apply for any of those benefits.)
- » You must not be covered by any other health plan that is not a high-deductible health plan.
- » You may not be covered by Veteran's services during the last three months.
- » You may not be active-duty military with Tricare coverage.
- » You may not be claimed as a dependent on another person's tax return.
- » Neither you nor your spouse may be participating in a General-Purpose Flexible Spending Account (FSA) (Limited-Purpose FSAs are allowed).

## DENTAL CARRYOVER BENEFIT

## Unum Dental<sup>™</sup> carryover benefits Earn extra benefits just by taking care of your teeth!

### How it works

Each benefit year a member must have:

- > one cleaning,
- > one regular exam and
- > total dental claims paid during the year below the threshold limit.

If all three criteria above are met, a portion of the annual maximum will carry over to the next year.

Base Plan Annual Maximum	Threshold Limit	Carryover Amount	Carryover Account Maximum	Total Potential Annual Maximum
\$1,000	\$500	\$250	\$1,000	\$2,000

### **Other specifications**

- > Each covered family member receives their own carryover benefit.
- Group carryover benefit rider must be in effect for one benefit year before any members can utilize carryover benefits.
- > A member must be on the plan for a minimum of four months before accruing carryover benefits.
- > Carryover benefit cannot be used towards orthodontia.
- A member's carryover account will be eliminated and the accrued carryover benefits lost if the insured has a break in coverage for any length of time or any reason.

#### \$1,000 carryover example

In the first qualifying year, the member has one cleaning, one exam and incurs \$300 in paid claims.

Member earns a \$250 carryover benefit that is applied to the next year's annual maximum.

Benefit in year two

Annual Maximum		Carryover Amount		Total Annual Maximum with Carryover
\$1,000	+	\$250	=	\$1,250

Member gets one cleaning, one regular exam and incurs \$300 in paid claims.

Member earns a \$250 carryover benefit that is applied to the next year's annual maximum.

#### Benefit in year three

Annual Maximum		Carryover Amount		Total Annual Maximum with Carryover
\$1,000	+	\$500	=	\$1,500

Member gets one cleaning, one regular exam and incurs \$1,300 in paid claims.

Member does not earn the carryover benefit in year three, but is able to utilize the carryover benefits earned in previous years to help pay the \$1,300 in claims.

Because the entire \$500 would not be utilized by the \$1,300 claim, \$200 will carry over to the next year.

#### Benefit in year four

Annual Max	al Maximum Carryover Amount Total Annual Maxi		Total Annual Maximum	
\$1,000	+	\$200	=	\$1,200

Member has \$1,200 available to use in this year because of the \$1,000 regular annual maximum plus \$200 in remaining carryover benefit.

## SURVIVOR BENEFITS

It's difficult to think about what would happen if something ever happened to you, but it's important to have a plan in place to make sure your family is provided for. Survivor benefits provide financial protection and security in the event of an absence or unexpected event. Securing Life insurance now ensures your family will be protected for the future.

What's a beneficiary? Your beneficiary is the person you designate to receive your Life insurance benefits in the event of your death. You receive the benefit payment for a dependent's death under the The Standard insurance.

Name a primary and contingent beneficiary to make your intentions clear. Make sure to indicate their full name, address, Social Security number, relationship, date of birth and distribution percentage. Please note that in most states, benefit payments cannot be made to a minor. If you elect to designate a minor as beneficiary, all proceeds may be held under the beneficiary's name and will earn interest until the minor reaches majority age at 18. If you need assistance, contact Human Resources or your own legal counsel.

## PERSONAL HEALTH ADVOCATE

## PERSONAL HEALTH ADVOCATE

When you're sick or injured, your main focus should be on your health – not untangling medical bills, scheduling appointments and coordinating your care with specialists and other providers.

## Help is Only a Phone Call Away

Fortunately, you don't have to take on the healthcare system by yourself. While you're out on a short term disability claim, you can connect with a Personal Health Advocate who'll help you navigate the complexities of the healthcare system. Simply take advantage of Health Advocacy Select, a service that's included with your group Short Term Disability insurance coverage through Standard Insurance Company (The Standard).

#### An Expert by Your Side

At no additional cost, you can contact Health  $Advocate^{TM_1}$  and be assigned a Personal Health Advocate, typically a registered nurse, who will remain on your case until it's fully resolved. From start to finish, you'll work with one person sparing you the headache of explaining your concerns to someone who might be unfamiliar with your situation.

Your Personal Health Advocate can assist you in quickly and efficiently working through healthcare management issues.

#### Some ways they can help you are:

- Understand and take maximum advantage of your medical benefits.
- Make sense of your diagnosis and research treatment options.
- Find and schedule appointments with the right doctors and specialists, particularly for complex medical conditions where a second opinion is appropriate.
- Locate specialists for high-risk pregnancies and find pediatricians.
- Manage your out-of-pocket expenses by finding alternative services and cost information.
- Locate necessary post pregnancy support in the event of a difficult delivery or when complications arise.
- Resolve medical claims and billing issues.
- Find resources for services that may not be covered through your employer's health benefits program.

All cases are managed in compliance with state and federal privacy laws. Your personal medical information is kept strictly confidential.

## GLOSSARY

**Balance Billing –** When you are billed by a provider for the difference between the provider's charge and the allowed amount. For example, if the provider's charge is \$100 and the allowed amount is \$60, you may be billed by the provider for the remaining \$40.

**Coinsurance –** Your share of the cost of a covered healthcare service, calculated as a percent of the allowed amount for the service, typically after you meet your deductible.

**Copay –** The fixed amount, as determined by your insurance plan, you pay for healthcare services received.

**Deductible –** The amount you owe for healthcare services before your health insurance begins to pay its portion. For example, if your deductible is \$1,000, your plan does not pay anything until you've paid \$1,000 for covered services. This deductible may not apply to all services, including preventive care.

**Explanation of Benefits (EOB) –** A statement from your insurance carrier that explains which services were provided, their cost, what portion of the claim was paid by the plan, and what portion is your liability, in addition to how you can appeal the insurer's decision.

**Network** – A group of physicians, hospitals and other healthcare providers that have agreed to provide medical services to a health insurance plan's members at discounted costs.

- » In-Network Providers that contract with your insurance company to provide healthcare services at the negotiated carrier discounted rates.
- » Out-of-Network Providers that are not contracted with your insurance company. If you choose an outof-network provider, services will not be covered at the in-network negotiated carrier discounted rates.
- » Non-Participating Providers that have declined entering into a contract with your insurance provider. They may not accept any insurance and you could pay for all costs out of pocket.

**Open Enrollment** – The period set by the employer during which employees and dependents may enroll for coverage, make changes or decline coverage.

**Out-of-Pocket Maximum –** The most you pay during a policy period (usually a 12-month period) before your health insurance begins to pay 100% of the allowed amount. This does not include your premium, charges beyond the Reasonable & Customary, or healthcare your plan doesn't cover. Check with your carrier to confirm what applies to the maximum.
